Subject: HPE CM: RE: Koala populations and habitat in New South Wales - Post-hearing responses - 4 February 2020
Attachments: Transcript - Panel 4 sw edit.pdf
Categories: For TRIM, Koalas

Hi,

Please find attached amendments, please let me know if the pdf edits didn't work.

In relation to questions on notice, the first one you had marked for myself was actually for John Turbill, i.e. I said that I understand that he took that question on notice.

The second question on notice was regarding the length of the Roberts Hill Tunnel, the EIS for the bypass states it as being 'Twin tunnels about 190m long and about 35 to 40 m below the crest of Roberts Hill ridge'

Regards,
Sally Whitelaw
