**RE: SELECT COMMITTEE ON ANIMAL CRUELTY LAWS IN NEW SOUTH WALES**

**Request to amend testimony**

Dear Committee

Animal Care Australia welcomes the opportunity to have provided testimony at the Select Committee on Animal Cruelty Laws in NSW.

We appreciate the environment and mixed mumblings of conversations from the Committee members does have an impact on the capacity for Hansard to understand testimony provided by witnesses.

It is apparent by reading the transcript of our testimony that was true on the day. With this in mind we wish to provide the following clarifications to the testimony.

**Transcript page 25: Mr DONNELLY: Umbrella—hobbyist is the most welcomed term**

**To be clarified as: Mr DONNELLY: Umbrella organisation where hobbyist is the most welcomed term**

**Transcript page 25: Mr Donnelly: .. all 10 are seized and then held within shelter until—not even until but right the way through the prosecutorial process which can take a very long time.**

**To be clarified as: ...but all 10 are seized and then held within shelter until, well, not even until, but right the way through the entire prosecutorial process which can take a very long time.**

**Transcript page 32: Mr DAVIS: Can I ask the particular case? Can house a particular person involved in or find out—**

**To be clarified as: Mr DAVIS: Can I ask the particular case? Can I ask the particular person involved in this or find out if they would mind?**

Kind regards,

Michael Donnelly
