0028: Enter 'Y' or 'N'

Case No: 778413797 BUTLER, JULIAN Ref. No: E 319249

ART 0 Other Identification/Professional Judgement

How fearful is the victim of their partner?
(NA=Not Afraid, A=Afraid UA=Unable to Answer, T=Terrified)

Did the victim express any concerns?

Were there children present or witness to the incident?

If yes, did you sight them and check on their welfare?

Are there any other additional factors, circumstances or details that you are aware of which make you believe overall there is a serious threat to the safety of the victim or children?

NA/A/UA/T
X Y/N
N Y/N
N Y/N
N Y/N

Step 6 – Local Coordination Point (LCP)

- LCP conducts secondary DVSAT assessment
- Liaise with DVLO if threat level needs reviewing
- All victims assessed 'At Serious Threat' to be referred to a local Safety Action Meeting (SAM). Victim consent is not required

Step 7- DVLO/DV TEAM

- Liaise with Local Coordination Point re: Victim Safety and review Threat level.

Step 8 – Safety Action Meeting (SAM)

- Crime Manager or police at an Inspector rank will chair meetings
- DVLO will receive SAM action items and follow up to support/reduce risk to victims.

DVSAT NON-GOVERNMENT - PART B

| PART B: Professional judgement | |
|---|--|
| How fearful is the client of their partner? (Select one) | <input type="checkbox"/> Not afraid <input type="checkbox"/> Afraid <input type="checkbox"/> Terrified <input type="checkbox"/> Unable/unwilling to answer |
| What concerns did the client express? What did the client think the partner might do and to whom? | |
| Do you believe any children in the household are at risk of harm? | |
| If yes, what action have you taken? Confirm that you have met your mandatory reporting obligations. | |
| Are you aware of any other additional factors, circumstances or details which make you believe overall there is a threat or serious threat to the safety of the client and/or children? Consider issues such as the client's situation in relation to disability, substance misuse, mental health issues, cultural/language barriers; whether they are willing to engage with a support service; whether the perpetrator's occupation or interests has given them unique access to weapons, or if there is involvement with Community Services (FACS). | |
