Re: Mr. Rodney

To Whom it may concern,

I have had the pleasure of knowing Mr. [REDACTED] for well over thirty years now. I have seen him grow from a shy young man during his high school period to a well-respected and successful business man. He has been a very active community member who has never hesitated to help out anyone in need if he was able. His work with children and adults alike has always been professional and sincere.

I was shocked and dumbfounded when he told me that he had lost his job as an Uber Driver due to a customer stating he was drunk whilst on an Uber drive. Shocked for the simple reason that I have never known Mr. [REDACTED] to touch a drop of alcohol the entire time I have known him, and dumbfounded that this allegation appears to have not been investigated to ascertain the legality of the claim.

I have no hesitation in supporting Mr. [REDACTED] innocence in this regard.

If you have any queries or wish to discuss this further, please do not hesitate to contact me on [REDACTED]

Kind Regards

JP
