Dear Joseph

Happy New Year and hope 2021 is good to you and your loved ones.

Based on these records, I had taken one question on notice re: my salary/earnings at icare during my tenure as CEO.

My answer is as following:

My total gross wages during my tenure at icare were:

FY2015/16 - \$536, 474

FY2016/17 - \$992, 671

FY2017/18 - \$962, 160

If there are any further questions, please do let me know. I am currently in hotel quarantine (until 15th Jan) having just returned from India, so will attempt to provide the answers from here.

Kind regards  
Vivek
