

Answers to questions on notice - Mr Gerard Van Emmerik - Federation Council - Public Accountability Committee Hearing 27 November 2020

Question 1 Response

Either myself or my grants officer were invited to attend the following six web based grants information sessions across the past 12 month period. Essentially these invitations came from either known staff connections within the relevant department or they were via links which were made available on the relevant grant programs website along with the other information such as guidelines, frequently asked questions etc.
