Dear Joseph

Please see attached email response from my accountant in relation to the question taken on notice from The Hon Daniel Mookhey during the 1 December hearing.

Whilst I have no amendments to the draft transcript by Hansard, the Committee should note that

Pg 17 - icare did have a \$100 threshold for the declaration of gifts and benefits.

Pg 24 & 25 - icare did have a Conflicts of Interest Policy in place since 2016 as stated by Mr Plumb in his testimony to the Committee on December 2 (Pg 22 of transcript).

Regards

Michael
