### **QUESTION**

And that \$40 million was coming as an add-on to the \$100 million from the Government over time?

### **ANSWER**

\$40 million payment to City of Parramatta formed part of the total \$140 million sale price for the river site – incorporating Willow Grove, St George's Terrace, the Riverbank Car Park & other properties.

City of Parramatta has received the \$40 million. There will be \$35.9 million in the Cultural Reserve at 30 June 2021.
