Dear Sir,

**2020 review of the Workers Compensation Scheme**

Thank you for your letter dated 18 December, 2020 in which you have provided me with an opportunity to respond to evidence provided to the Committee by Mr McCann.

Without the benefits of any notes, I do recall the meeting Mr McCann spoke about. The actions I took following the concerns raised by Mr McCann were:

In relation to the engagement of Mr R Craig, I was aware that he had not been engaged through Internal Consulting Group as I was involved in his recruitment. I also asked a member of my team to confirm to me that no payments had been made to Internal Consulting Group in relation to Mr Craig's engagement at icare NSW.

In relation to the concerns relating to Mr Pescott, I raised the issue with the Public Interest Disclosure Co-ordinator as required.

Yours sincerely

Greg Barnier
