Thanks Andrew. I think it would be good for some of the TAHE team to also catch up and suggest we have a Teams meeting this week. We are a very lean team at present and you may already know some of them. George Roins is General Counsel and Peter Crimp is CFO (both long history with TAHE) and Andrew leading our project and Co Sec.

Anytime on Friday works for me or I can move things around on Thursday if that is better for you. We can discuss some of the changes in TfNSW and accounting standard changes that are impacting our original work.

Hi Anne,

Congratulations on the new role.

It would be great to catch up soon and discuss some of the history of TAHE, our original work, and some of the big questions that need to be considered now it is set up. I can prepare an agenda around these topics.

Is there anything else in particular you would like to discuss?

Eleanor (cc'ed) can help find time, preferably this week if that works for you. If you are available to meet in person, I can travel to you.

I look forward to meeting soon.

Kind regards,  
Andrew.

Hi Anne,

Thank you for your email.

Any time on Friday would suit Andrew.

Do you have an assistant who could send an invitation to him with Microsoft Teams?

Alternatively I'd be happy to send an invitation through using Zoom.

Please could you let me know what time would suit you best?

Kind Regards,

Eleanor
