NSW Government's management of the COVID-19 Pandemic

Questions on notice

1. *The CHAIR: Mr Bradshaw, you said that there were some masks being provided to staff. Is it true that there is no PPE being provided to inmates?*

Mr BRADSHAW: The information I have is that they have surgical masks provided. Again I can take the question on notice as to exactly what PPE is being provided. But my information is that they are provided surgical masks for common areas and transportation.

The CHAIR: No hand sanitiser, no [disorder] face masks?

Mr BRADSHAW: Sorry. Hand sanitiser, yes, and the surgical masks.

- For the sake of clarity, inmates are provided with masks and non-alcoholic hand sanitiser.
