Daniel Mookhey: How much was your property discounted. What was the range?

Mr Grima. From say 200 down to 80.

What I meant to say was, they discounted the three trees which is (3000sqmtre) from \$200.00 a square meter to \$80.00 a square meter. It works out to be \$120,000.00 a tree. Total of \$360,000.00.

Should you require any further information please do not hesitate to email us.

Kind Regards

Sam and Theresa Grima
