Subject: Re: Health outcomes and access to health and hospital services in rural, regional and remote New South Wales - Post-hearing responses - 16 June 2021

Hi Vanessa,

Apologies I am one day late with this response however I just wanted to confirm that there are currently 51 Nurse Practitioners working in our LHD and 15 of those work outside of Greater Newcastle. There are also 12 Nurse Practitioners in the JHH Neonatal ICU and in my original evidence I had said there were 8.

Thank you. No other changes necessary.

Regards

Kate Ryan
