

# Supplementary question to Dr Ross Crates on the NSW Upper House Inquiry into the Proposal to raise the Warragamba Dam Wall.

Supplementary question:

*Q1) Is the section concerning Regent honeyeaters in the published EIS the same as the version you wrote as a SMEC consultant?*

A1) No

*Q1A) If no, how is the published version different to the one you wrote?*

A1A) The differences in the wording of the regent honeyeater EIS can be assessed by comparing the information provided in *Table K-1. Further consideration of impacts to Regent Honeyeater* (commencing on page 668 of the published document titled *Environmental Impact Statement – Appendix F1: Biodiversity Assessment Report – Upstream*) to the information provided in the equivalent table (*Table 7-18. Further consideration of impacts to Regent Honeyeater*, commencing page 311 of the draft version) dated 4<sup>th</sup> May 2020, that was leaked via the ABC.
