Subject: Re: Health outcomes and access to health and hospital services in rural, regional and remote New South Wales - Post-hearing responses - 6 October 2021

Dear Ms O'Loan,

Thank you for the transcript and supplementary questions.

I have no issues and am very happy with the professionalism of the whole process. The only point I have is that there is a need to ensure that all remote patients suffering debilitating progressive diseases have the technology for timely access to expert advice e.g. palliative care.

Kind regards,

Yours sincerely
Geoff Pritchard
