Dear Mr Searle

Inquiry into the coronial jurisdiction in NSW

Thank you for your letter dated 18 October 2021 requesting a copy of a draft 2017 *Coroners Act 2009* Statutory Review report for the Select Committee inquiry into the coronial jurisdiction in New South Wales.

As the requested document is a Cabinet document and subject to Cabinet confidentiality, it would not be appropriate to provide the document to the Select Committee in these circumstances.

I appreciate the work the Select Committee is undertaking in this important area and look forward to considering the Select Committee's report in due course.

Yours sincerely

Mark Speakman
