Dear Ms Halligan,

RSPCA NSW took one question on notice, specifically how many animals were rehomed.

In the 2020/2021 financial year RSPCA NSW rehomed 10 892 animals.

I have reviewed the transcript of my evidence, and do not note any errors of transcription which require correction.

I have previously been asked for a copy of my opening. Unfortunately I had to amend it as I was speaking due to time constraints, so I do not have a final version of the opening as given, so I have not attached that herewith.

Kind regards,

**Kathryn Jurd**
