Subject: RE: Planning and delivery of school infrastructure in New South Wales - Post hearing responses - 25 May 2022

Hi Laura

Paul Dewar and Monica Cologna have asked me to forward their response to question on notice:

The NSW Government's Rhodes Place Strategy 2020 identifies a proposed primary school on land bound by Leeds St (north), Cavell Ave (east), Blaxland Ave (west), and either a new road or a shared-use accessway (subject to further traffic analysis) to the south. The school site has an approximate area of 10,800sqm.
