Cultural Fishing Inquiry into the commencement of the Fisheries Management Amendment Act 2009

Aboriginal Fishing Trust Fund expenditure

The Aboriginal Fishing Trust Fund provides grants and loans for the enhancement, maintenance and protection of Aboriginal cultural fishing as well as for Aboriginal communities to develop businesses associated with fisheries resources throughout NSW.

To date, 28 projects and close to \$1 million (\$944,800) have been approved and supported under the AFTF since the first funding round in 2017/18 across inland and coastal locations of NSW.

A further \$1.8 million is available in the trust and the latest funding round offers \$500,000 which is open until 24 August.

<u>Table</u>. Summary of the 28 Aboriginal Fishing Trust Funded projects 2017-18 to 2020-21 - regional split and funding type

Summary of the 28 projects funded by the Aboriginal Fishing Trust Fund 2017/18 - 2020/21

Year	Applicant and Project Summary	Amount	Funding Platform	Location/ Region
	Aboriginal oyster business			
	This project sought funding for infrastructure to re-establish			
	a rundown inherited family oyster aquaculture business in			
	Wonboyn Lake NSW. The aim was for the business to be			
	economically and environmentally sustainable and			
	profitable for the applicant and family, and to assist the			
	community with employment opportunities. Lease clean-up			
	was finalised in December 2018. Two thirds of the new			
	infrastructure had been settled by July 2019 with those			Coastal / Far
	new lines producing stock whilst the project was completed			South
