Subject: CM: RE: questions on notice from today's hearing

Good morning Peta,

I have followed up with each member of our Exec team, Councils Public Officer and the Mayor/Councillors EA. The last email communication received from Clr Ellis was on the 10 February 2023 which was a reply to an email sent by the Mayor/Councillor EA on the 8th February 2023. Councils Public officer has indicated to me that we have sent emails to Clr Ellis (also to all Councillors) since that time however none have been responded to. She also did not attend a workshop last Tuesday night.

The contact for Clr Ellis details we can find are:

Public
Email
Mobile

Private(payload file)
Email
Phone (same as public)

I have also found in the past Clr Ellis has used the email

I am awaiting advice from our IT Manager around our ability to locate our devices and what devices clr Ellis holds.

Kind regards

Michael
