STATEMENT OF CLARIFICATION REGARDING THE EVALUATION PANEL'S SELECTION REPORT:

The Evaluation Panel candidate interview meeting was held in person on 21 June 2023. After interviewing the four shortlisted candidates and further discussion, the Panel agreed on a ranking of candidates. This is the ranking in the Evaluation Panel's Selection Report as signed by the three members of the Evaluation Panel. It is the role of the Executive Search firm to prepare a draft of this Report and that was done. The Evaluation Panel members then reviewed this Draft. All members of the Panel then signed this Report as an accurate record of their discussions and recommendations.
