Subject: Mick Boller - Clarification of Answer (Mudgee)

To: Chair. Dr. Amanda Cohn MLC

Dear Ms Cohn,

It has come to my attention that one of my responses about my neighbour being advised they would not be able to remain living in their home if the Bowdens Project went ahead might incorrectly indicate that I was referring to the current owner, SVL.

The neighbour concerned has informed me the person who said this was a representative of the previous owners, Kingsgate (KCN), not the current owners SVL.

Michael Boller
