Hi team,

Do we have a standard response on feral horses in KNP.

Cheers,
Jananie

Subject: Standard response - Feral horses

Hi Peta

I realise it's early days, but I was wondering if we had a standard response regarding feral horses in KNP. I understand the party position is that the current plan is the way to go but needs to be implemented more effectively and that aerial shooting is still not being considered.

Let me know if we have any new information or ways to communicate the issue to constituents.

Kind regards

Indigo
