Hi Sarah

Apologies I have been on leave this week.

Yes the section on notice under **Part 2 – Guiding principles, targets and objectives** see my proposed recommendations – hope this is not too late.

8 (8) (a) the knowledge, **including the traditional ecological knowledge**, and perspectives of Aboriginal communities, **both urban, regional and remote**.

8 (8) (e) the need to ensure essential utilities and infrastructure are provided, including energy, water, telecommunications, transport **and housing**.

8 (8) (f) the impact of the action on consumer costs in New South Wales, including **housing, health and energy costs**,

8 (8) (g) the need to reduce the risk climate change poses to human health **and environmental health**.

Thanks for allowing me to participate in the process.

Thanks Ali
