## Notice of Asbestos Removal Work

To whom it may concern:

Please be advised that asbestos removal work will be undertaken at:

Address: Liverpool West Public School

Between the hours of: 04:00 AM and 8:00 PM

On these dates: 12/02/2024 to 31/03/2024

By Contractor: Beasy Pty Ltd

Licence Number: AD211426 (Class A & B)

SafeWork NSW was notified of this work on: 11/02/2024

All removal works will be undertaken by appropriately experienced and trained personnel in asbestos removal work.

For both your safety and the worker's safety, the following safe work procedures will be adopted of the site to ensure potential exposure to asbestos is prevented:

- Erection of site signage, barriers and/or temporary fencing.
- Wetting and/or applying a PVA solution to the asbestos containing materials to mitigate dust where applicable.
- Minimising breakage of asbestos containing materials.
- Use of plastic on horizontal surfaces and surrounds where applicable.
- Wrapping of material on site & disposal of asbestos at an appropriate facility.
- On completion of asbestos removal work an inspection of the worksite will be undertaken and a clearance certificate will be obtained from an independent party to the removalist contractor.

The validity of the abovementioned licence details and further guidance material surrounding safe work practices and associated health risks for asbestos removal can be found on the SafeWork website at <https://www.safework.nsw.gov.au/>

Should you have any questions or concerns with the associated works please don't hesitate to contact the Beasy office on [REDACTED]
