Subject: RE: REQUEST FOR EXTENSION Inquiry into the planning system and the impacts of climate change on the environment and communities - Post hearing responses

Hi again,

On reflection you could make reference to my book, which explains about how communities are dealt out of the planning system and require proactive engagement – but not specifically naming appeals.

Harris P. Illuminating policy for health (2022) Palgrave McMillan.

You don't often get email from portfoliocommittee7@parliament.nsw.gov.au. [Learn why this is important](#)

Good afternoon Dr Harris

On page 32 of the transcript, you indicated that you would take the highlighted question on notice and provide a response to the committee. I cannot see a response to this question in the marked-up transcript provided yesterday.

Could you please advise your response to this question on notice or clarify if it was answered elsewhere in the document?

Kind regards,
David

David Rodwell
