Subject: Providing clarifications to transcript from 8 March 2024 - Parliamentary Inquiry into the planning system and the impacts of climate change on the environment and communities

Dear Ms Higginson,

Thank you for the opportunity to partake in a hearing for the NSW Legislative Council Portfolio Committee No. 7 Planning and Environment 'Inquiry into the planning system and the impacts of climate change on the environment and communities'.

I would like to provide some points of clarification to the Committee from the hearing I partook in on 8 March 2024.

The clarifications I wish to provide are as follows:

- Page 11, paragraph 5 – 'natural hazard state environment planning policy' should be read as 'Planning for a more resilient NSW – Strategic Guide'
- Page 14, paragraph 3 – 'vain' should be replaced with 'vein'
- Page 14, paragraph 14 – 'regional environmental action plan' should be read as 'Regional Adaptive Pathways Pilot'.

Please contact me further at _____ or _____ if you require any further clarity on this matter.

Yours sincerely,

Stephen Hartley
