To the best of my knowledge, CAFBA has had no direct communication in any of the categories prior to the LMG court decision in the first half of 2024.

Since then, I can advise the following:

- Informal discussion on payroll tax with Minister Kamper and Premier Minns at a budget night dinner, 18 June 2024
- Joint COSBOA, MFAA, CAFBA letter to Premier, and Minister Houssos and Kamper, forwarded by email on 26 July 2024
- In person meeting with Ministers Houssos and Kamper, 18 September 2024
- Letter received by email in response to 26 July letter, received 20 December 2024.

Kind regards,

**David Bushby**  
Chief Executive Officer, CAFBA
