Dear Sarah

Please find our responses below.

#### Transcript

- Jesuit Social Services confirms accuracy of the transcript.

#### Questions on notice – international examples of services for young people concerned about pornography and sex

- A study on sexual harm caused by young people and prevention strategies, conducted Stop It Now! USA (operators of the WhatsOK website and hotline) and the Centre for Violence Prevention Research, can be found here: <https://www.scienceofviolence.org/research-portfolio/whatsok>.

Please let us know if there are additional questions or requests.

Kind regards
