

TAB B: Aboriginal Community Safety Grants list of recommended grant recipients including individual values

No.	Grant Recipient	Project Description	Funding value	Location
1	Waminda South Coast Women's Health & Wellbeing Aboriginal Corporation	This project will develop an educational strategy and resource addressing DFSV aimed at Aboriginal youth. The resource and delivery will be embedded into our youth program forming part of our primary prevention work in addressing DFSV. The project will also train up our youth team to deliver the program.	\$119,980.00	Regional
2	Winanga-li Aboriginal Child and Family Centre Incorporated	The Dhiyaan Gaba Program is a 10-week, culturally grounded leadership and healing journey for 20 Aboriginal youth (16–18) impacted by or at risk of DFSV. Through workshops, cultural experiences, and Elder-led mentoring, participants build identity, emotional literacy, and relationship skills rooted in Aboriginal knowledge and trauma-informed practice.	\$29,037.00	Rural
3	Women Up North	This outreach service will support and nurture Aboriginal pregnant teenagers and young mothers 16yrs-25yrs, at high-risk of DFSV, providing culturally safe health and life education to young women, and working with their community members to encourage 'accidental counselling' to appropriately respond to DFSV risk and occurrence, creating safer communities.	\$138,996.00	Regional
4	Yanama Budyari Gumada Aboriginal Corporation ICN: 9696	A First Nations-led initiative that amplifies lived experience, survivor accounts and Elders' wisdom to raise awareness, educate and reimagine safety for Aboriginal communities experiencing DFSV. Through the creation and distribution of digital mediums, the project will integrate global Indigenous perspectives to develop localised prevention and intervention responses to DFSV.	\$137,000.00	Regional
5	Bindelong Aboriginal Corporation	The Aboriginal Men's and Women's Culture Camps empower participants through cultural connection, resilience-building, and intergenerational knowledge sharing. These camps foster identity, positive behaviours, and healthy relationships, serving as a primary prevention strategy against violence, aligning with the NSW Domestic and Family Violence Plan 2022–2027 and Closing the Gap targets.	\$150,000.00	Regional/Rural
6	Women Up North Housing Inc	This project will use established trusted relationships to work with our Northern Rivers Aboriginal Communities to create an integrated continuum of care and accommodation supports for women and children at risk of or experiencing DFSV, and build education and awareness to empower community response, address violent behaviours, and improve safety.	\$74,626.00	Regional
7	Ngabul Foundation Limited	Ngabul will deliver a 12-month Cultural Healing & Mentoring program for 20-30 Aboriginal young	\$149,922.00	Metro

		males transitioning out of custody in Sydney NSW. The program includes a 6-week group cultural healing program in-custody and a holistic 18-week post-release one-on-one mentoring program to address key risk factors for DFSV in the community.		
8	Tamworth Local Aboriginal Land Council	Aboriginal women healing from domestic and family violence will benefit from this initiative. Activities include mindful movement, breath-work, meditation, art therapy, dance, healing facials, massage, nature walks, yarnning circles, and sound healing. These practices aim to regulate the nervous system, support emotional recovery, strengthen cultural connection, and empower long-term healing.	\$48,000.00	Regional
9	Gunida Gunyah Aboriginal Corporation	The Aboriginal Women Wellbeing Retreat supports women who have experienced trauma or domestic violence. Activities include weaving, yoga, and campfire gatherings. Outcomes aim to promote healing, connection, and empowerment through cultural and wellness practices in a safe, nurturing environment.	\$44,000.00	Rural
