20. Notice To New Jersey Users. Notwithstanding any terms set forth in these Terms of Use, if any of the provisions set forth in Sections 16, 17, 21 and/or 22 are held unenforceable, void, or inapplicable under New Jersey law, then any such provision shall not apply to you, but the rest of these Terms of Use shall remain binding on you and the Company. In addition, for New Jersey residents, the limitation on liability is inapplicable where attorneys fees, court costs, or other damages are mandated by statute. Notwithstanding any provision in these Terms of Use, nothing in these Terms of Use is intended to, nor shall it be deemed or construed to, limit any rights available to you under the Truth-in-Consumer Contract, Warranty and Notice Act.

23. Indemnification. You agree to defend, indemnify and hold the Company from and against any claims, damages, and costs including attorneys' fees, arising from or related to your use of the Service. You will not be required to indemnify and hold the Company harmless from and against any claims, liabilities, damages, losses, or expenses resulting from the Company's own negligent conduct.

24. Dispute Resolution And Arbitration Agreement. Read This Following Clause Carefully - It May Significantly Affect Your Legal Rights, Including Your Right to File a Lawsuit in Court.

- Arbitration. The parties, which means you and the Company, shall use their best efforts to settle any dispute, claim, question, or disagreement directly through consultation and good faith negotiations which shall be a precondition to either party initiating a lawsuit or arbitration. All claims arising out of or relating to these Terms of Use (including its formation, notice of performance and breach) and the Service shall be finally settled by binding arbitration, excluding any rules or procedures governing or permitting class actions.

The arbitrator, and not any federal, state, or local court or agency, shall have exclusive authority to resolve all disputes arising out of or relating to the interpretation, applicability, enforceability, or formation of these Terms of Use, including, but not limited to any claim that all or any part of these Terms of Use is void or voidable. The arbitrator shall be empowered to grant whatever relief would be available in a court under law or in equity. The arbitrator's award shall be binding on the parties and may be entered as a judgment in any court of competent jurisdiction. To the extent the filing fee for the arbitration exceeds the cost of filing a lawsuit, we will pay the additional cost. The interpretation and enforcement of these Terms of Use shall be subject to the Federal Arbitration Act. The parties understand that, absent this mandatory provision, they would have the right to sue in court and have a jury trial. They further understand that, in some instances, the costs of arbitration could exceed the costs of litigation and the right to discovery may be more limited in arbitration than in court.

- **Class Action Waiver.** The parties, which means you and the Company, further agree that any arbitration shall be conducted in their individual capacities only and not as a class action or other representative action, and the parties expressly waive their right to file a class action or seek relief on a class basis. If any court or arbitrator determines that the class action waiver set forth in this paragraph is void or unenforceable for any reason or that an arbitration can proceed on a class basis, then the arbitration provision set forth above shall be deemed null and void in its entirety and the parties shall be deemed to have not agreed to arbitrate disputes.

- **Exception - Litigation of Small Claims Court Claims.**

Notwithstanding the parties' decision to resolve all disputes through arbitration, either party, you or the Company, may also seek relief in a small claims court for disputes or claims within the scope of that court's jurisdiction.

- **Thirty Day Right to Opt-Out.** You have the right to opt-out and not be bound by the arbitration and class action waiver provisions set forth in this Section by sending written notice of your decision to opt-out to the following address: c/o Telmate, LLC d/b/a ViaPath Technologies, 3120 Fairview Park Drive, Suite 300, Falls Church, VA 22042, Attn: Arbitration Opt-Out. The notice must be sent within thirty (30) days of the date you have agreed to Terms of Use; otherwise, you shall be bound to arbitrate disputes in accordance with the terms set forth above. If you elect to opt-out of these arbitration provisions, we also will not be bound by them. In addition, if you elect to opt-out of these arbitration provisions, we may terminate your use of the Service. If we terminate your use of the Service, we will provide you with a refund of any fees you have paid and have not been used in connection with the Service.

25. **Amendments.** These Terms of Use may be amended by the Company from time to time. We will post any material changes to these Terms of Use on the Site with a notice advising of changes. You may cancel your account within thirty (30) days following the date the amended Terms of Use are posted by contacting us using the contact information in Section 30 below. If you choose to cancel your account within this thirty (30) day period, you will not be legally bound by the terms of the revised Terms of Use but will remain legally bound by terms of these Terms of Use, and we will provide you with a refund of any fees that you have paid and that have not been used in connection with the Service.

26. No Oral Modifications. Employees of the Company are not authorized to modify these Terms of Use, either verbally or in writing. If any employee of the Company offers to modify these Terms of Use, he or she is not acting as an agent for the Company or speaking on our behalf. You may not rely, and should not act in reliance on, any statement or communication from an employee of the Company or anyone else purporting to act on our behalf.

27. No Third-Party Beneficiaries. These Terms of Use are between you and the Company. There are no third-party beneficiaries. All payments associated with transactions that classify as money transmission are held in a custodial capacity by TouchPay Holdings, LLC d/b/a GTL Financial Services, a wholly-owned subsidiary of ViaPath, as an agent of its customers.

28. Independent Contractors. No agency, partnership, joint venture, or employment is created as a result of these Terms of Use, and you do not have any authority of any kind to bind the Company in any respect whatsoever.

29. Non-Waiver. The failure of either party to exercise in any respect any right provided for herein shall not be deemed a waiver of any further rights hereunder.

30. Force Majeure. The Company shall not be liable for any failure to perform its obligations hereunder where the failure results from any cause beyond the Company's reasonable control, including, without limitation, any mechanical, electronic or communications failure or degradation.

31. Severability. If any provision of these Terms of Use is found to be unenforceable or invalid (other than the class action waiver in Section 22), that provision shall be limited or eliminated to the minimum extent necessary so that these Terms of Use shall otherwise remain in full force and effect and enforceable.
