Dear Chair

On 20 August 2025, I appeared as a witness before Portfolio Committee No. 4 for the Lands and Property, Multiculturalism, Sport, Jobs and Tourism Hearing.

During the hearing the Hon. Scott Farlow MLC asked the following question in relation to staffing numbers at Multicultural NSW.

“What is that level of staffing at present?”

In response I said

“Mr Farlow, 118 full time staff and roughly about 1,000 casual interpreters and translators.”

I wish to correct this answer. The figure provided for August 2025 should be 127 full time equivalent and an approximate headcount of 1,000 casual interpreters and translators.

I apologise for the error in my answer and trust this information will be of assistance to the Committee.

Yours sincerely

Joseph La Posta
CEO
