

SQ10.

For each music festival held in NSW since 1 October 2022 please provide the following breakdown:

- (a) the initial total charge quoted by NSW Police for a police presence
- (b) the number of officers required by NSW Police to be in attendance
- (c) whether any request was made for a reduction in fees charged via the Local Area Command or any other avenue outside the formal appeals process
- (d) the final amount charged
- (e) whether any music festival formally appealed the user-pays charges
 - (i) if so, the outcome of these appeals.

ANSWER

I am advised:

The tables below show the requested information for each music festival, broken down by NSW Police Force Region:

Central Metropolitan Region

| Name of Music Festival | Initial charge quoted (\$) | Number of officers | Reduction request | Final amount charged (\$) | Formal appeal |
|--------------------------|----------------------------|--------------------|-------------------|---------------------------|---------------|
| Good Things 2022 | 130,257.45 | 88 | No | 29,093.45 | No |
