

PUBLIC ACCOUNTABILITY AND WORKS COMMITTEE**INQUIRY INTO THE INTEGRITY, EFFICACY, AND VALUE FOR MONEY OF THE LOCAL SMALL COMMITMENTS ALLOCATION PROCESS**

Supplementary information provided by **Alison Morgan**, Executive Director, Grant Program Office, Premier's Department in response to matters taken on notice at the Committee Hearing on Friday 24 October 2025.

1. Clarification of the origin of the list of LSCA commitments (A5773943) and emailed by Alison Morgan to Ann Lewis on 14 June 2025. Document and email tabled in the Hearing.

I can confirm that I received the list of LSCA commitment titled as Attachment A (A5773943) on the 8 June 2023 via email from the former Executive Director, Cabinet and Governance of the then Department of Premier and Cabinet (DPC).

I am advised that this document was shared with DPC by the former Chief of Staff of the Special Minister of State and by NSW Treasury on 31 May 2023.

Consistent with my previous evidence, Attachment A (A5773943) was not provided to me by the Premier's Office and I have no specific memory of receiving it.

Request from the Committee to undertake a comparison of the Master list of LSCA commitments received from the Premier's Office on 28 July 2023 against lists received prior.

Please see Table 1 attached (A8319152).

2. Confirmation of the allocation of LSCA funds in the electorate of Orange

The Master List of LSCA nominated projects provided to me on 28th July 2023 and used to support the administration of the LSCA program nominated five specific projects to be funded in the Electorate of Orange:

- NSW Labor will deliver up to \$100,000 to Orange City Council for the ANZAC Park Precinct project.
- NSW Labor will deliver up to \$100,000 to Forbes Shire Council to provide Ski Dam/Aquatic Centre play equipment.
- NSW Labor will deliver up to \$100,000 to Parkes Shire council to deliver support to the Akuna Rd Wetlands project and pathways.
- NSW Labor will deliver up to \$40,000 to Cabonne Shire Council to support a Softfall Program for the following parks: Pillons Park Molong, Sth Canowindra Park, Memorial Park Eugowra, Village Green Cargo, Landover Park Cudal, Memorial Park Canowindra, and Mullion Creek Playground Mullion Creek.
- NSW Labor will deliver \$60,000 to Cabonne Shire Council for the Pillon Park Project play equipment upgrade.

As all \$400,000 in the Electorate of Orange had been allocated to specific nominated projects in accordance with section 2.1 of the LSCA Guidelines the LSCA Program Office did not allocate any funds through section 2.2 of the LSCA Guidelines.

3. Dates the LSCA Guidelines were approved.

The LSCA Guidelines were approved by the Special Minister of State on 1 August 2023.

4. Confirm whether any councils or community organisations have raised concerns that their LSCA funding might be withdrawn.

The LSCA Program Office is not aware of any councils or community organisations raising concerns that their LSCA funding could be withdrawn.

5. Check the excel file known as the original list of LSCA commitments Attachment A (A5773943) to confirm the author and date of creation.

A check of the *info/version history* of the excel file Attachment A (A5773943) indicates that it was created by Damian O'Connor on 28 April 2023 and last modified by Damian O'Connor on 17 May 2023.

Alison Morgan
