

*Context: page 37: Marissa Sandler: I think there maybe 20,000 NDIS providers. No sorry, there are I think 100,000 NDIS providers. I can take it on notice to give you the exact numbers. I think, of that, maybe 16,000 are registered.*

Question on notice: Number of registered vs unregistered NDIS providers in Australia.

Answer: At the end of 2024, there were a total of 267,149 NDIS providers.

Of this total, 245,762 were unregistered NDIS providers and 21,387 were registered NDIS providers i.e. 8% of NDIS providers are registered.
