Correction of Last Statement by Lane
Anderson representing of ESNA

I would like the Transcript (Harvard)
Corrected to say the following 1. I have
been 9 years at the above address. 2.
C.C.T building Contractors may spend \$300-
\$400 per Month at this business. 3. Bourke
Street Half closed in May 2005. Since then
I have had to lay off 2 Staff and Close 50%
of my Shop floor ie 1st floor which was accessed
from St Peter's Lane via William Street. 4.
C.C.T. Construction Creates 2 Loading Spaces on
the South and 4 on the North Side of William
Street. However these do not replace the
loading facilities previously provided by Bourke
Street access to St Peter's Lane at the
rear of My business.

Thank you for your consideration
Peter Carroll
