### Assessment

#### Assessment area 1 – Organisational Capacity and capability

This area was weighted in descending order of priority as per the first column in the table below. Your results for this area are shown in the second column.

1. Management and staff experience	B
2. Training and assessment	A
3. Student support	C
4. Organisation activity (scope of registration)	A
5. Professional development	A
6. Diversity of income sources	B

*The results given in Assessment area 1 have the following meaning:*

A	Performance towards the top of the range
B	Performance in the middle of the range
C	Performance below the middle of the range
D	Performance towards the bottom of the range

<b>Your overall result for this area</b>	<b>B</b>	Did not Pass
------------------------------------------	----------	--------------

An overall result of A was required to pass this assessment area.

As your organisation did not achieve the overall result required to pass Assessment area 1, your application did not progress to be considered for other assessment areas.
