

**ADDITIONAL QUESTION TAKEN DURING HEARING**

**QUESTION**

**The Hon. SOPHIE COTSIS:** Will you commit the Division of Local Government to undertake an investigation into the concerns about Port Stephens Council?

**Mr PAUL TOOLE:** I will have a look and see if there is any correspondence that has been received in the past in relation to that matter and obviously see where it has actually been referred to in the past.

**ANSWER**

I am aware that the Tomaree Ratepayers and Residents Association Inc has raised its concerns directly with the Election Funding Authority. The Election Funding Authority is the appropriate body to deal with these concerns.
