Good afternoon Lynn

The Association has reviewed the transcript and makes the following response to the four identified instances where a response is sought:

[The Hon Scott Farlow \(pg 42-3 of transcript\) Re: Gillard Government reforms](#)

Mr Turner responded to this question at the time (pg43) and in addition, the Association's submission also identifies our opposition to these reforms.

[The Hon Catherine Cusack \(pg 44\) Re: Staff losses from TAFE](#)

Mr Parissi confirmed the anecdotal evidence we had to support the evidence which came from the 2015 Budget papers and is also referenced in the Association's submission.

[The Hon Daniel Mookhey \(pg 49\) Re: Research into teaching outcomes and teacher quality](#)

This was a question specifically directed to our colleagues from the NSW teachers Federation and we defer to them in this matter.

[The Hon Daniel Mookhey \(pg 52\) Re: Impact on course hours and teaching hours](#)

The Association has no specific information on this point beyond that identified in our submission. This information, we suggest, should be readily available from TAFE NSW.

We hope this assists the Committee in drafting their report.

Kind Regards,

Dylan Smith  
A/Analyst

Good morning Mr Turner

Following on from a conversation I have just had with Ms Jessica D'Arienzo, I am once again emailing a request for further information.

Having more closely examined the previous response dated 28 October 2015 it has become apparent that the document attached to your email contained answers only to the committee's supplementary questions, and does not contain responses to the question taken on notice (as highlighted in the body of the transcript).

Could you please send the Public Service Association's answer to question on notice through as soon as possible.

Kind regards

**Lynn Race**
