Subject: RE: Questions taken on notice - Inquiry into tourism in local communities

Please find responses to the 2 questions raised in the attached

1 - Shaolin Temple

Yes as far as I am aware trade and Investment are involved with the project. I m not ware that they have looked at direct financial assistance

2 – Regional Visitor Economy Fund

Any increase in this funding would be of assistance to the tourism industry in general. In the last round the Shoalhaven received \$50,000.

Doubling the funding would be of benefit

Cheers
