Friday 1 September 2006 [Parliamentary Estimates: General Purpose Standing Committee No 3]

Minister for Gaming and Racing

QUESTIONS TAKEN ON NOTICE AT THE HEARING

1 The Hon Melinda Pavey asked the Minister for Gaming and Racing, the Hon Grant McBride MP –

What allocations have been made, by recipient, amount and purpose, from the Casino Community Benefit Fund [now known as the *Responsible Gambling Fund*] during the period 01 July 2005 to 31 August 2006?

ANSWER

I am advised by the NSW Office of Liquor, Gaming and Racing of the following allocations from the Responsible Gambling Fund:

Organisation	Grant \$ (ex-GST-pa)	Purpose

2 The Hon Melinda Pavey asked the Minister for Gaming and Racing, the Hon Grant McBride MP –

How much money has been spent on the process [of rewriting the Liquor Act] to this point [31 August 2006]?

ANSWER

I advise that the project of developing proposals for the rewrite of the Liquor Act has been achieved within the normal budgetary constraints of the Office of Liquor, Gaming and Racing. No extraordinary costs or resources – including consultants, special committees or delegations - have been necessary.

I am advised about \$600 was spent on printing the exposure draft of the Liquor Bill 2005 for distribution to stakeholders.

The Hon Melinda Pavey asked the Minister for Gaming and Racing, the Hon Grant McBride MP –

What has been the cost of administration over the past 12 months ended 30 June 2006 compared to the previous 12 months for Racing NSW, Greyhound Racing NSW, Harness Racing NSW and the Greyhound and Harness Racing Control Authority?

ANSWER

I am informed by the relevant bodies that the net cost of administration, ie the funding shortfall picked up by the respective racing industries, for the financial years 2004-05 and 2005-06 were:

	2004-05	2005-06
Racing NSW	\$8,293,000	\$8,118,085
Harness Racing NSW	\$647,863	\$649,000
Greyhound Racing NSW	\$1,729,000	\$1,660,000
Greyhound & Harness Racing Regulatory Authority	\$5,398,013	\$5,066,000

In respect of 2005-06, the amounts are subject to final audit.

4 The Hon Melinda Pavey asked the Minister for Gaming and Racing, the Hon Grant McBride MP –

What has been the overall prize money in the thoroughbred racing industry, the greyhound racing industry, and the harness racing industry in NSW in each year ended 30 June 2004, 2005 and 2006?

ANSWER

	2003-04	2004-05	2005-06
Thoroughbred racing	\$96.08m	\$99.8m	\$102.9m
Harness racing	\$19.6m	\$21.4m	\$21.2m
Greyhound racing	\$14.5m	\$15.5m	\$15.5m

5 The Hon Michael Gallagher asked the Minister for Gaming and Racing, the Hon Grant McBride-

Moving on to water, what written representations have you made to Ministers about the Central Coast water crisis?

ANSWER

From the outset, I would like to point out that unlike Sydney and the Hunter, the water supply system on the Central Coast is owned and operated by Gosford and Wyong Councils through the Gosford-Wyong Joint Water Authority.

The Central Coast is experiencing the worst drought on record which has impacted severely on the water supply for the region. With supply levels at only around 16% the whole of the Central Coast community are aware of this important issue.

Last year I was involved in discussions with Minister Sartor – who suggested a change in structure for the joint water authority. Each council had a different preferred position.

As water levels continued to drop during the first half of this year – I made contact with both Minister Campbell and the Premier.

Following my discussions, the Premier visited the Central Coast and made an offer to the Council's Joint Water Authority outlining a four point plan of assistance from the State Government (including the state owned Hunter Water). I outlined these initiatives during the recent Budget estimates hearing in my introductory remarks.

This plan included:

- new funding of \$2.5 million to bring forward the construction of a water filtration plant on the Williams river in the Hunter Valley to supplement the Central Coast Water Supply.
- temporary easing of restrictions to allow the councils to take an additional 4 million litres of water each day from Ourimbah Creek.
- an offer to extend the highly successful Water Savings Fund to include the Central Coast offering rebates to consumers using water efficient washing machines and rain water tanks.
- reaffirming the State Government's commitment of \$7.5m to the \$30 million Hunter connection pipeline to the Central Coast which will supply the Central Coast with additional water.

I am very conscious of the water situation on the Central Coast and the State Government continues to provide ongoing assistance and advice through government agencies to the benefit of the Councils' Joint Water Authority.

Around the time of the September regional Cabinet visit to the Central Coast, Minister Campbell has also committed to introduce new legislation for the establishment of a local water corporation – owned and operated by the two local councils.

Whilst an important step forward, this will not alone solve the current water crisis, however it will ensure the efficient, improved and effective delivery of water supply, sewerage and drainage services in the longer term.

The State Government has also identified that water supply is an issue when it comes to planning.

The recent release of the Draft Central Coast Regional Strategy proposes a reduced population growth rate until the issue of a secure water supply is adequately addressed.

The NSW Government is actively consulting with both Gosford and Wyong Councils to identify additional ways in which the State Government can assist.

Indeed I've met on numerous occasions with Mayors, Councillors, Council staff, environmental groups, business groups and the wider community – where the issue of water has been discussed.

I have also raised the Central Coast Water Crisis directly in Cabinet and sought the Government's support to assist the Coast's current situation.

I have made at least ten direct written representations directly to the Water Utilities Minister, but on top of that there are letters to other Ministers, constituents and community groups on the issue of water. My office has also liaised closely with both Councils, State Agencies and Ministers offices on the issue of Water on the Central Coast

By way of contrast I have been advised that neither the Shadow Minister Chris Hartcher or Upper House MLC Michael Gallacher have written or met with the NSW Water Utilities Minister on the issue of Water on the Central Coast.

I am pleased that the NSW Government has responded in a positive way. Real progress is being made to help improve the situation on the Central Coast.

I reiterate the Premiers commitment that we are not going to leave the residents of the Central Coast in the lurch when it comes to water. We will continue to assist Gosford and Wyong councils where possible to secure the water supply on the Central Coast.

6. The Hon Michael Gallagher asked the Minister for Gaming and Racing, the Hon Grant McBride-

How many Ministerial meetings have you held in relation to Central Coast water?

ANSWER

Refer to question 5

7 The Hon Dr Arthur Chesterfield-Evans asked the Minister for Gaming and Racing, the Hon Grant McBride MP –

Has that [Bookmakers, including the TAB, can use the Internet but not until 30 minutes before the first race of the day - with the exception of Northern Territory corporate bookmakers, who do not have the same restrictions] cost the New South Wales racing industry money, and if so, how much?

ANSWER

To clarify the position in NSW, authorised bookmakers may accept bets over the Internet on feature racing events up until 30 minutes before the first race of the relevant race day.

8 The Hon Dr Arthur Chesterfield-Evans asked the Minister for Gaming and Racing, the Hon Grant McBride MP –

Why has there been no prosecutions of people for inclusion into gaming in NSW via the Internet? [repeated as ... Why has there not been any prosecutions for people coming into New South Wales via the Internet? Is it not prohibited for people to do that?]

ANSWER

The use of the internet for gaming is primarily a matter for the Commonwealth. These issues are of concern to the NSW Government and the NSW Office of Liquor, Gaming and Racing will co-operate with Federal authorities to monitor and act on these issues.

9 Ms Lee Rhiannon asked the Minister for Gaming and Racing, the Hon Grant McBride MP –

How many venues does the Panthers [Panthers Rugby League Club Limited] club have across New South Wales?

ANSWER

I am advised Penrith Rugby League Club Limited has 14 premises across New South Wales.
