

## Questions Taken On Notice

**Ms Jan Barham: In relation to the social aspect of what you bring, do you have any clear research or cost-benefit analysis that would be available and useful in having that conversation?**

Please see the attached document *Powerhousing Research into Social Return on Investment*, which is the document we refer to in our transcript.

**The Hon. Sophie Cotsis: What are your expenses – maintenance, all the other costs? Can you provide that?**

Please see the attached document *Financial Performance*, which contains the full breakdown of our expenses.
