## REVIEW OF THE EXERCISE OF THE FUNCTIONS OF THE WORKCOVER AUTHORITY SECOND HEARING: FRIDAY 28 MARCH 2014

Document tendered by

NSW Business Chamber

Received by

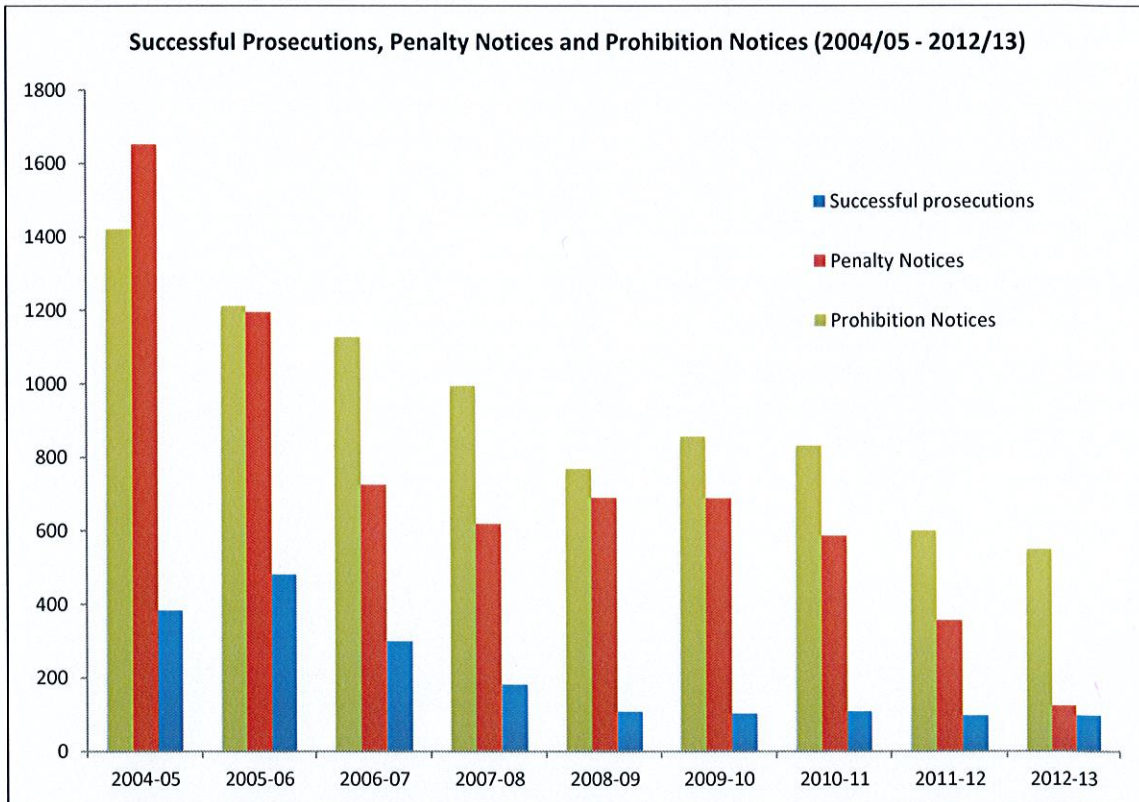

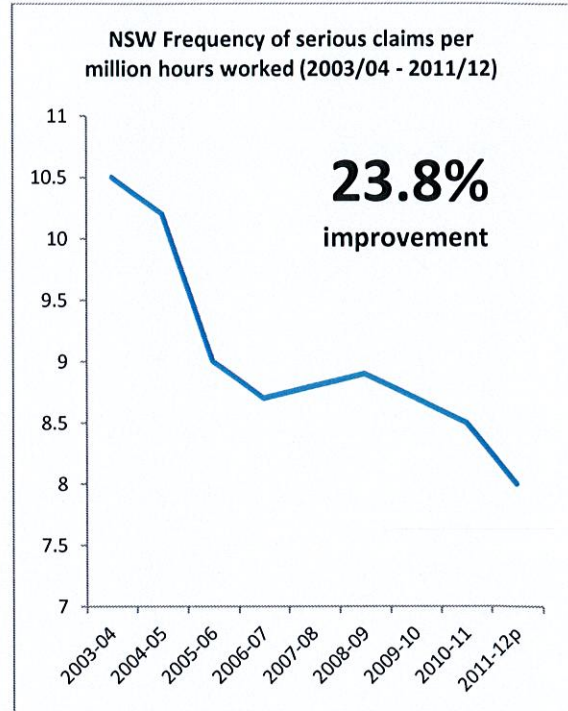

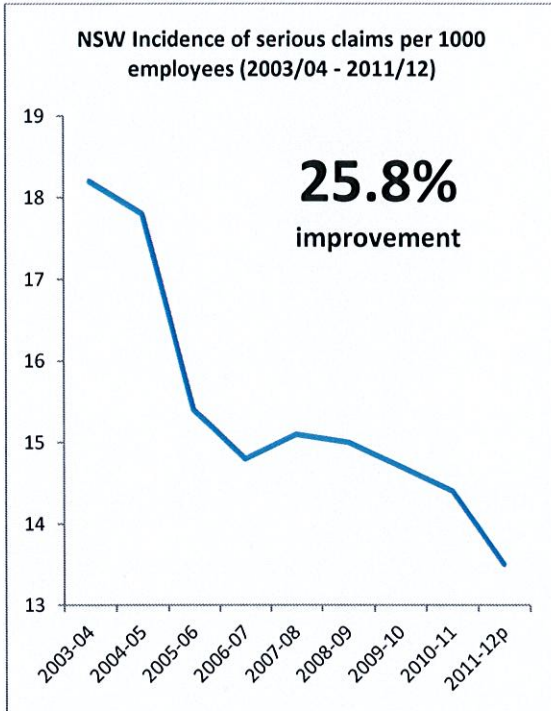

Teresa McMichael

Date: 28 / 03 / 2014

Revised to public rate and No

### SUPPLEMENTARY MATERIAL:

The following graphs illustrate that work health and safety outcomes in NSW have improved in both incidence rate and frequency rate over the better part of the last decade, whilst enforcement activities such as prosecution, penalty notices and prohibition notices continue to decline.
