Dear Ms Bosch

**Re: Question on Notice**

I refer to your letter dated 21 September 2005 relating to the question taken on notice during the budget estimates hearing on 16 September 2005.

In response to the question asked by the Hon Don Harwin MLC, I am pleased to advise as follows:

Question asked: *The Hon Don Harwin: Madam President, could you provide an indication of the budget given to Building Services in the last three financial years for the repair and maintenance of the Parliament House building?*

Response: The budget allocation given to Building Services for the repair and maintenance of Parliament House for the past three financial years has been \$280,000 for 2003-04, and \$300,000 for each of 2004-05 and 2005-06. In addition, some building repair costs are met from the Building Services 'Other Operating Expense' allocation, which totalled \$849,000 in 2003-04, and \$793,000 in both 2004-05 and 2005-06.

Yours sincerely

Meredith Burgmann MLC  
President
