

Dear Committee Secretariat

What I gave evidence to the Inquiry on Tuesday 29 April, I undertook to forward information to the Committee about factors determining the success of Indigenous organisations.

The publication I referred to was *Maps to Success: Successful Strategies in Indigenous Organisations*, published by the Australian Institute of Aboriginal & Torres Strait Islander Studies. The principal researcher was Dr Julie Finlayson. You should be able to contact her via PH 6246 1183 or Email: [research@aiatsis.gov.au](mailto:research@aiatsis.gov.au).

Details of Reconciliation Australia's Indigenous Governance research and awards are available at: <http://www.reconciliation.org.au/i-cms.jsp?page=148>.

ANTaR Board Member, Janet Hunt manages the Indigenous Community Governance Project at the ANU's Centre for Aboriginal Economic Policy Research. Details for Janet are available at <http://online.anu.edu.au/caepr/StaffProfiles/hunt.php>. Janet is currently overseas but will be back on 9<sup>th</sup> June.
