Mr S Reynolds
Clerk to the Committee
General Purpose Standing Committee No. 4
Legislative Council
Parliament House
Macquarie Street
SYDNEY NSW 2000

Dear Mr Reynolds

Inquiry into the closure of the Casino to Murwillumbah Rail Service

I refer to your letter of 5 July 2004 providing a copy of the question I took on notice during the public hearing held by General Purpose Standing Committee No. 4 (GPSC4) on 2 July 2004 concerning the above issue.

At the hearing I took the following question on notice:

Have any agencies indicated to Premier's Department concerns about the use of buses to replace trains between Casino and Murwillumbah.

All executive members within Premier's Department were subsequently asked to advise whether any concerns had been expressed to this agency. I have been advised that there does not appear to have been any formal or informal advice of this nature to the department.

While your letter did not note it as a question I did commit to provide to GPSC4 the membership of the North Coast Regional Coordination Management Group. In accordance with this commitment a copy of the current membership is attached at Annexure A.

Yours sincerely

Col Gellatly
