

GENERAL PURPOSE STANDING COMMITTEE NO. 3
INQUIRY INTO RAIL INFRASTRUCTURE PROJECT COSTING IN NSW
6 December 2011

Supplementary Questions on Notice –

1. Mr Renouf, who appeared from Ernst and Young, indicated in his final comment as a witness, that your department had received a copy of their report "Infrastructure – Project Cost Benchmarking Study" which was specific to NSW. He also indicated in his comment on p 8 that reports provided to individual jurisdictions contained more detail than that given to the Committee on 21 November 2011. Will your department provide copies of this more detailed report supplied to NSW, for use by the Committee as was indicated by Mr Les Wielinga in his reply to the first question put to him by Penny Sharpe?

Response

Please find attached a copy of the Ernst and Young report provided to Transport for NSW. Transport for NSW is not in possession of any other reports.
