Dear Ms Duffy,

Re: Inquiry Into the Sale of the Currawong Property at Pittwater

With regard to the questions on notice following my appearance before the committee on May 5th, I state the following:

Question 1 (Mr. Scot McDonald) – page 4: The Unions NSW Finance Committee was advised of the intention to appoint Kingsway Capital to conduct the EOI process into the sale of Currawong on 3rd June 2005.

Question 2 (The Hon. Greg Pearce) – page 5/6: I do not see how the public interest can be served by providing the documents requested given the sale of Currawong has been considered by the ICAC.

Thanking you for your consideration.

Yours sincerely,

 **Mark Lennon**
Secretary
