Narrandera Shire Council confirms that the transcript is a true and accurate record of the inquiry into regional aviation services held in Wagga Wagga NSW on 10 June 2014.

In terms of areas highlighted in yellow, whilst no formal survey has been undertaken by NSC, verbal advice from local Regional Express agents is that 60% would be regular business travel with 40% itinerant, connecting flight travel from Narrandera-Leeton Airport.

I have attached my completed questionnaire.

Please advise if any further information is required.

Regards,

Andrew Pearson  
Traffic & Airport Officer
