Questions relating to the portfolios of Treasury, Finance and Infrastructure

17 NOVEMBER 2009, 3.00 pm – 5.30 pm

Questions from Dr Kaye

1. Please provide the names of each deputy secretary of the Treasury.
 - a. For each deputy secretary, please describe their responsibilities.
 - b. Please provide an equivalent list of names and responsibilities as at each of the following dates:
 - i. 1 July 2009
 - ii. 1 January 2009
 - iii. 1 July 2008
 - iv. 1 January 2008
2. In respect of the electricity transactions, please provide a list of all consultants, advisers, contractors, banks and other non-government organisations that have been employed to date.
 - a. For each such organisation, please provide a brief description of the work they have undertaken and the amount they have been paid to date and, if available, the amount they are contracted to be paid but have not yet been paid.
3. In respect of the electricity transactions, please provide the total amount that has been paid to date to non-government organisations in respect of services in preparation for the electricity transactions.
 - a. Please provide the total amount they are contracted to be paid but have not yet been paid.
4. Did the Treasury provide any advice or other input in relation to the framing of the August 2009 Draft State Plan on matters relating to the state's greenhouse gas emissions (Priority E3(b))?
 - a. If so, please provide a description of the advice or other input given.
 - b. Did Treasury recommend that the 2025 target be dropped from the plan? If so, for what reasons?
5. Did the Treasury provide any advice or other input in relation to the framing of the August 2009 Draft State Plan?
 - a. If so, please list the priorities on which you offered advice.
6. Please provide the list of data but not the data itself that will be made available in the data room for the electricity transaction.
 - a. Please indicate which of these data categories will be 'black-boxed'.
 - b. If this list is not available, please provide a date on which it is expected to be so.

Questions from Mr Mason-Cox
